## EADV PRESIDENT'S WELCOME LETTER

Welcome to the 18th Spring Symposium in beautiful Seville, renowned for its architecture and flamenco dancing, where you are invited to discover the new rhythm of dermatology and venerology.

The Scientific Programme Committee has been working to present a captivating 3-day programme with a special focus on psoriasis and keratinocytic skin cancer as well as current epidemiological trends.

Discussions will take place on the treatment of acne, pigmentary disorders, hair disorders, hidradenitis suppurativa, atopic dermatitis, as well as the most up to date information on monkeypox and other emerging diseases. Your participation in clinical cases on dermoscopy and other challenging topics is welcomed for a lively, interactive exchange.

The program will guide you from practical help for your daily patient care all the way through to cutting edge developments at the forefront of science, and you will meet and share your experiences with specialists and colleagues from around the world who share the same passion for dermatology and venereology.

The Spring Symposium is your opportunity to discover a tailored programme of the latest practical updates across acne, pigmentary disorders, atopic dermatitis, paediatric dermatology and more – we look forward to welcoming you.

*Bienvenidos a Sevilla!*

**Martin Röcken**

President, EADV

# WELCOME FROM THE EADV SCIENTIFIC PROGRAMMING COMMITTEE

Dear colleagues,

On behalf of the Scientific Programming Committee, I am honoured to welcome you to the EADV Symposium in Seville. Our symposium promises to deliver a tailored, CME-accredited program, showcasing the latest advances and innovations in our field, and we are thrilled to have you as a part of it.

The EADV Symposium in Seville offers an exceptional opportunity to discover the new rhythm of dermatology and venereology, reflecting the increasing demand for innovation in our field. Our program is designed to provide you with up-to-date recommendations that are relevant to your clinical practice. With three tracks running in parallel, the

program caters to the diverse interests of our attendees and showcases the significant advances in our speciality.

Track one focuses on psoriasis and keratinocytic cancers, fully immersing you in the topic with comprehensive in-depth reviews. Track two features a selection of topics from the broad spectrum of our discipline including acne, sexually transmitted diseases, pigmentary disorders, hair disorders, pediatric dermatology, pruritus, allergology, hidradenitis suppurativa, atopic dermatitis and esthetic dermatology. Key leaders in the field will provide you with the latest updates and recommendations. Finally, track three provides an opportunity for you to refresh and train your clinical skills through interactive case presentations. Our dynamic sessions will feature quizzes on dermoscopy and topographical dermatology cases to put your diagnostic and management skills to the test.

The Symposium will open with a Keynote Lecture by Prof. David Moreno from Seville, who will present updates and perspectives on the role of surgery in the management of advanced melanoma. The Symposium will end on Saturday with the traditional and eagerly-awaited “breaking news” session and a new session titled “Key advances with impact on your clinical practice”.

Our symposium is designed to offer you an unforgettable experience, and we cannot wait to welcome you to this vibrant city in southern Spain. Please join us for an extraordinary program that promises to elevate your knowledge and skills in our speciality.

**Michel Gilliet**

Chair of the Scientific Programming Committee, EADV

## THE ACADEMY

Founded in 1987, the European Academy of Dermatology and Venereology is a global community with the unifying goal of advancing excellence in patient care, promoting knowledge and expertise among healthcare professionals, as well as advocating on behalf of the specialty and patients.

EADV is a leading provider of education in dermatology-venereology through a unique blend of in-person and online courses, as well as digital learning tools including webinars and podcast episodes.

The Academy offers several scholarships, grants, and research funding opportunities, enriching networks and knowledge-sharing among future leaders in the specialty. EADV actively promotes better awareness of skin and venereal diseases by working closely with global and European policy-makers on public health campaigns to tackle occupational skin diseases, melanoma, sexually transmitted infections, and other maladies.

The Journal of the European Academy of Dermatology and Venereology (JEADV), publishes a wide range of articles that focus on basic science, clinical and translational research in dermatology and venereology. With an Impact Factor of 6.166, it is now ranked 7th among the international dermatology journals. The JEADV Clinical Practice is the open-access peer-reviewed publication of EADV. It features cutting-edge educational and clinically-orientated content, for aspiring researchers, to showcase the latest hands-on practices in clinics and innovative clinical and surgical skills.

EADV hosts a flagship Congress every autumn, as well as a Symposium in the spring. With over 12,000 delegates from across the globe, these events serve as a forum for exchanging ideas, sharing experiences, and presenting projects aimed at improving patient care.

## FUTURE EADV EVENTS

**2023**

**32<sup>ND</sup> EADV CONGRESS**

11-14 October 2023 | Berlin, Germany

**2024**

**19<sup>TH</sup> EADV SPRING SYMPOSIUM**

16-18 May 2024 | St Julian's, Malta

**33<sup>RD</sup> EADV CONGRESS**

25-29 September 2024 | Amsterdam, The Netherlands

**2025**

**34<sup>TH</sup> EADV CONGRESS**

17-21 September 2025 | Paris, France

## Did you know?

- More than 7500 among specialists, residents, scientists, medical students and nurses have already joined the EADV Community.
- Our junior members take advantage of a reduced fee of 50€ for residents and 75€ for young dermatovenereologists.

## DISCOVER EXCLUSIVE MEMBER BENEFITS

### **EA** **DV** LEARNING

Extensive range of face-to-face and online courses, offering continuous medical education.

### **EA** **DV** JEADV

Leading international peer-reviewed journal with globally-recognized editorial board.

### **EA** **DV** FUNDING

A range of opportunities including scholarships, grants, research funding and fellowships in prestigious hospitals.

### **EA** **DV** JEADV CLINICAL PRACTICE

Open access peer-reviewed journal with cutting-edge clinical content of a more practical and hands-on-nature.

### **EA** **DV** GUIDELINES

Over 30 task forces focused on issuing guidelines for the prevention, diagnosis and treatment of skin and venereal diseases.

### **EA** **DV** EVENTS

Benefit from reduced registration fees to join the over 10'000 delegates in attendance.

Expand your  
knowledge and grow  
your network

**Don't wait any longer  
to make the most of  
your membership!**

**Join the EADV Community today!**

## CONTINUING MEDICAL EDUCATION – CONTINUING PROFESSIONAL DEVELOPMENT (CME-CPD)

The EADV Symposium 2023, Seville, Spain, 18/05/2023-20/05/2023 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 15 European CME credits (ECMEC®s).

### CME Credits

Each medical specialist can claim only those hours of credit actually spent in the educational activity (as recorded by the scanning process).

Please find the breakdown of credits per day below:

Thursday, 18 May	6 credits
Friday, 19 May	6 credits
Saturday, 20 May	3 credits

The accreditation system is based on 1 ECMEC per hour and no credits will be guaranteed by the EADV to delegates participating in sessions organised by the industry.

### Procedure to gain your credits

*Scan your badge, complete the evaluation forms and download the CME-CPD Certificate.*

EADV offers individual CME-CPD participation credits through the scanning of bar codes and the speaker/session evaluation that will be available for a period of one month after the end of the Symposium (until 20 June 2023).

1. Scan your badge as you pass through the entrance of each session hall.
2. Complete the anonymous online evaluation for each attended session. Access the evaluation system via the CME/CPD accreditation webpage on <https://eadvsymposium2023.org/scientific/cme-cpd-and-certificates/>
3. Download your CME-CPD certificate and retain it for your personal records.

Your feedback and comments are greatly appreciated. Evaluation data is essential to our statistics and is vital in the determination of future topics and speakers.

### Conversion of credits

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credits to AMA credits can be found at [www.ama-assn.org/go/internationalcme](http://www.ama-assn.org/go/internationalcme). Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.

Please refer to the national CME-CPD authority in your country of practice for the exchange into CME-CPD credits/points.

## ABSTRACT REVIEWERS

EADV is grateful to the following reviewers who have given their time and expertise in reviewing the submitted abstracts:

Badawi Ashraf (Canada), Bata-Csorgo Zsuzsanna (Hungary), Bauer Johann (Austria), Chernyshov Pavel (Ukraine), Csoma Zsanett Renáta (Hungary), Doss Nejib (Tunisia), Giménez-Arnau Ana (Spain), Hafner Jürg (Switzerland), Heller-Vitouch Claudia (Austria), Iorizzo Matilde (Switzerland), Kazandjieva Jana (Bulgaria), Kolyadenko Kateryna (Ukraine), Laubach Hans-Joachim (Switzerland), Läuchli Severin (Switzerland), Nikkels Arjen Fokko (Belgium), Olteanu Rodica (Romania), Peternel Sandra (Croatia), Reich Adam (Poland), Samimi Mahtab (France), Soares de Almeida Luis (Portugal), Soura Efthymia (Greece), Srinivasan Sundaramoorthy (India), Veraldi Stefano (Italy), Vestergaard Christian (Denmark), Wikonkal Norbert (Hungary), Zuberbier Torsten (Germany).

## FOCUS ON

## AUDITORIUM 1

<b>D2T01.1</b>	<b>09:00 - 10:30</b>	<b>Focus on keratinocytic skin cancer: “Epidemiology and prevention”</b>
	Chairs:	Ana-Maria Forsea (Bucharest, Romania) Alexander Stratigos (Athens, Greece)
D2T01.1A	9:00	Epidemiological trends after COVID-19 Ana-Maria Forsea (Bucharest, Romania)
D2T01.1B	9:20	Immunosuppression as a risk factor Elsemeike Plasmeijer (Amsterdam, Netherlands)
D2T01.1C	9:40	Lifestyle and photoprotection Yolanda Gilaberte Calzada (Zaragoza, Spain)
D2T01.1D	10:00	Can we prevent epithelial skin cancer beyond sunscreens? Alexander Stratigos (Athens, Greece)
D2T01.1E	10:20	Discussion, Q&A

## FOCUS ON

## AUDITORIUM 1

<b>D2T01.2</b>	<b>10:45 - 12:15</b>	<b>Focus on keratinocytic skin cancer: “Early diagnosis”</b>
	Chairs:	Paola Pasquali (Cambrils, Spain) Salvador González Rodríguez (Madrid, Spain)
D2T01.2A	10:45	Tele dermatology Paola Pasquali (Cambrils, Spain)
D2T01.2B	11:05	Ultrasound Ximena Wortsman (Santiago, Chile)
D2T01.2C	11:25	From artificial intelligence to smartphone Apps Juan Carlos Hernández-Rodríguez (Sevilla, Spain)
D2T01.2D	11:45	Bedside imaging Salvador González Rodríguez (Madrid, Spain)
D2T01.2E	12:05	Discussion, Q&A

FOCUS ON

AUDITORIUM 1

<b>D2T01.3</b>	<b>14:00 - 15:30</b>	<b>Focus on keratinocytic skin cancer: “Surgery of NMSC”</b>
	Chairs:	Eduardo Nagore (Valencia, Spain) Annik Van Rengen (Dordrecht, Netherlands)
D2T01.3A	14:00	The role of Mohs surgery Eduardo Nagore (Valencia, Spain)
D2T01.3B	14:20	Surgery in private office Annik Van Rengen (Dordrecht, Netherlands)
D2T01.3C	14:40	Special surgery techniques for the face César Martins (Santarém, Portugal)
D2T01.3D	15:00	Role of sentinel lymphnode biopsy in SCC Javier Canueto Alvarez (Salamanca, Spain)
D2T01.3E	15:20	Discussion, Q&A

FOCUS ON

AUDITORIUM 1

<b>D2T01.4</b>	<b>15:45 - 17:15</b>	<b>Focus on keratinocytic skin cancer:”Non-surgical therapeutic options”</b>
	Chairs:	Petr Arenberger (Prague, Czech Republic) Maria Teresa Fernández-Figueras (Barcelona, Spain)
D2T01.4A	15:45	Topical therapy for actinic keratosis Maria Teresa Fernández-Figueras (Barcelona, Spain)
D2T01.4B	16:05	PDT or daylight PDT Rolf-Markus Szeimies (Recklinghausen, Germany)
D2T01.4C	16:25	Systemic therapy in advanced stages Petr Arenberger (Prague, Czech Republic)
D2T01.4D	16:45	Adjuvant and neoadjuvant therapy Oana Diana Persa (München, Germany)
D2T01.4E	17:05	Discussion, Q&A

## WHAT'S NEW

## AUDITORIUM 2

<b>D2T02.1</b>	<b>09:00 - 10:30</b>	<b>What is new in: "Allergology and drug eruptions"</b>
	Chairs:	Ana Giménez-Arnau (Barcelona, Spain) Martin Metz (Berlin, Germany)
D2T02.1A	9:00	New contact allergens Ana Giménez-Arnau (Barcelona, Spain)
D2T02.1B	9:20	Adverse events of new cancer therapies Simone Ribero (Torino, Italy)
D2T02.1C	9:40	Treatment perspectives in severe drug reactions Sarah Walsh (London, United Kingdom)
D2T02.1D	10:00	New treatments for chronic urticaria Martin Metz (Berlin, Germany)
D2T02.1E	10:20	Discussion, Q&A

## WHAT'S NEW

## AUDITORIUM 2

<b>D2T02.2</b>	<b>10:45 - 12:15</b>	<b>What is new in: "Hidradenitis suppurativa"</b>
	Chairs:	John R. Ingram (Cardiff, United Kingdom) Christos C. Zouboulis (Dessau, Germany)
D2T02.2A	10:45	Recent advances in pathophysiology Christos C. Zouboulis (Dessau, Germany)
D2T02.2B	11:05	Phenotypes-based diagnosis and management Gregor Borut Jemec (Roskilde, Denmark)
D2T02.2C	11:25	Comorbidities John R. Ingram (Cardiff, United Kingdom)
D2T02.2D	11:45	Combined approaches to treatment Antonio Martorell Calatayud (Valencia, Spain)
D2T02.2E	12:05	Discussion, Q&A

## WHAT'S NEW

## AUDITORIUM 2

<b>D2T02.3</b>	<b>14:00 - 15:30</b>	<b>What is new in: "Atopic dermatitis"</b>
	Chairs:	Patrick Brunner (New York, United States) Margarida Gonalo (Coimbra, Portugal)
D2T02.3A	14:00	Pathophysiology and clinical phenotypes Patrick Brunner (New York, United States)
D2T02.3B	14:20	Contact allergens in atopic dermatitis Margarida Gonalo (Coimbra, Portugal)
D2T02.3C	14:40	JAK inhibitors versus biologics Ignasi Figueras-Nart (Barcelona, Spain)
D2T02.3D	15:00	Microbiome and hygiene hypothesis Antti Ilmari Lauerma (Helsinki, Finland)
D2T02.3E	15:20	Discussion, Q&A

## WHAT'S NEW

## AUDITORIUM 2

<b>D2T02.4</b>	<b>15:45 - 17:15</b>	<b>What is new in: "Pruritus"</b>
	Chairs:	Martin Steinhoff (Doha, Qatar) Jacek Szepietowski (Wroclaw, Poland)
D2T02.4A	15:45	Neuro-immune mechanisms of pruritus Martin Steinhoff (Doha, Qatar)
D2T02.4B	16:05	What is the role of cannabidiol in the management of pruritus? Jacek Szepietowski (Wroclaw, Poland)
D2T02.4C	16:25	Classification and management of chronic prurigo Martin Metz (Berlin, Germany)
D2T02.4D	16:45	Advances in the treatment of pruritus Laurent Misery (Brest, France)
D2T02.4E	17:05	Discussion, Q&A

## INTERACTIVE CLINICAL CASES

## AUDITORIUM 3

<b>D2T03.1</b>	<b>09:00 - 10:30</b>	<b>Interactive clinical cases: “Dermoscopy”</b>
	Chairs:	Zoe Apalla (Thessaloniki, Greece) Susana Puig (Barcelona, Spain)
D2T03.1A	9:00	Classical BCC Susana Puig (Barcelona, Spain)
D2T03.1B	9:20	BCC mimickers Roberta Giuffrida (Messina, Italy)
D2T03.1C	9:40	Managing BCC in your office Agustín Toll (Barcelona, Spain)
D2T03.1D	10:00	Recurrent BCC Zoe Apalla (Thessaloniki, Greece)
D2T03.1E	10:20	Discussion, Q&A

## INTERACTIVE CLINICAL CASES

## AUDITORIUM 3

<b>D2T03.2</b>	<b>10:45 - 12:15</b>	<b>Interactive clinical cases: “Dermoscopy”</b>
	Chairs:	Danica Todorovic (Nis, Serbia) Raimonds Karls (Daugmale, Latvia)
D2T03.2A	10:45	In situ versus invasive SCC Raimonds Karls (Daugmale, Latvia)
D2T03.2B	11:05	Nodular SCC and keratoacanthoma Félix Pham (Pierre-Bénite, France)
D2T03.2C	11:25	SCC in specific sites Danica Todorovic (Nis, Serbia)
D2T03.2D	11:45	Artificial intelligence versus Dermatologist Elvira Moscarella (Naples, Italy)
D2T03.2E	12:05	Discussion, Q&A

## INTERACTIVE CLINICAL CASES

## AUDITORIUM 3

<b>D2T03.3</b>	<b>14:00 - 15:30</b>	<b>Interactive clinical cases: “Clues and pitfalls in your practice”</b>
	Chairs:	Mahtab Samimi (Tours, France) Mihael Skerlev (Zagreb, Croatia)
D2T03.3A	14:00	<b>Acral Lesions</b> Aimilios Lallas (Thessaloniki, Greece)
D2T03.3B	14:20	<b>Genital Lesions</b> Mihael Skerlev (Zagreb, Croatia)
D2T03.3C	14:40	<b>Facial Lesions</b> Wilhelm Stolz (Munich, Germany)
D2T03.3D	15:00	<b>Oral Lesions</b> Mahtab Samimi (Tours, France)
D2T03.3E	15:20	<b>Discussion, Q&amp;A</b>

## INTERACTIVE CLINICAL CASES

## AUDITORIUM 3

<b>D2T03.4</b>	<b>15:45 - 17:15</b>	<b>Interactive clinical cases: “Clues and pitfalls in your practice”</b>
	Chairs:	Margarida Gonçalo (Coimbra, Portugal) Angelo Valerio Marzano (Milan, Italy)
D2T03.4A	15:45	<b>Nails</b> Francesca Pampaloni (Bologna, Italy)
D2T03.4B	16:05	<b>Hives</b> Margarida Gonçalo (Coimbra, Portugal)
D2T03.4C	16:25	<b>Purpura</b> Angelo Valerio Marzano (Milan, Italy)
D2T03.4D	16:45	<b>Exanthemas</b> Eva Chavarría-Mur (Madrid, Spain)
D2T03.4E	17:05	<b>Discussion, Q&amp;A</b>

### ONSITE FACILITIES

#### Venue opening hours

Thursday, 18 May	08:00 – 19:00
Friday, 19 May	08.00 – 18:00
Saturday, 20 May	08.00 – 14:00

#### Registration desks

The registration desks are located on level 2 of the Module B inside Fibes II close to the main entrance.

The registration area will be open during the following days:

Thursday 18 May	08:00 – 18:00
Friday 19 May	08.00 – 17.30
Saturday 20 May	08.00 – 13.30

## GENERAL INFORMATION

### Speaker preview room

All session rooms are equipped with LCD projection for PowerPoint presentation. Speakers are asked to hand in their presentation at least 3 hours before the lecture if not already uploaded earlier. Speakers with a presentation during the first time slot of the morning are kindly asked to hand in their PowerPoint presentation the day before.

The speaker preview room is located on level 3 of the Module B inside Fibes II and will be open during the following hours:

Wednesday 17 May	15.00 – 18.00
Thursday 18 May	08.00 – 17.30
Friday 19 May	08.00 – 17.30
Saturday 20 May	08.00 – 12.00

All presentations must be in English. Speakers should also verify in the Final Programme that the name of the room and time of session have not changed.

### Abstract and e-Poster

Accepted abstracts will be made available on a dedicated section of the EADV corporate website [www.eadv.org](http://www.eadv.org).

Abstracts selected for e-Posters will be published as electronic posters during the Symposium and will be available for viewing in the e-Poster area which is located on level 3 of the Module B inside Fibes II; 10 big screens are provided and configured exclusively to display the e-Posters. The e-Posters can be viewed sequentially by number, submission topic or searched individually by title, key word or author.

The e-poster area will be open during the following days:

Thursday, 18 May	8.00 – 17.30
Friday, 19 May	8.00 – 17.30
Saturday, 20 May	8.00 – 13.30

### Accommodation and Information Desk

The information desk to get details on accommodation, taxi transfers and the city of Seville is located on the EADV registration area, level 2 of the Module B inside Fibes II.

### Cloakroom

The Cloakroom is located on level 2 of the Module B inside Fibes II and will be open during the following days:

Thursday, 18 May	8.00 – 20.00
Friday, 19 May	8.00 – 17.30
Saturday, 20 May	8.00 – 13.30

## GENERAL INFORMATION

### Lost & found

Please hand in all found items and ask for lost items at the cloakroom on level 2 of the Module B inside Fibes II.

### Catering facilities

Lunches and coffee breaks are NOT included in the registration fees. Meals and snacks can be purchased within the Congress venue during the opening hours in various catering areas located on level 1 and 2 of the Fibes II.

### First aid room and emergency numbers

In case of need please visit the Medical Centre, located on level 1 of the Module B inside Fibes II.

Further emergency numbers are:

- +34 646370567 for any emergency at Fibes II
- 112 for serious accident immediate intervention (Universal European Emergency Service Number)

### INTERNET ACCESS/WI-FI

Free Wi-Fi access will be available in the common areas of the venue and in the session rooms. Please select the following network name to start your navigation: **EADVSymposium2023**

### MOBILE PHONE APPLICATION (EVENTS APP)

The EADV Events App will bring the 18th EADV Symposium to your smartphone or tablet. The application offers a tailor-made mobile overview of this scientific event. You will get instant access to the full scientific programme, abstracts, e-posters, session surveys, industry sessions, and the latest news before, during and after the meeting! Interactions during sessions will be facilitated by the App, allowing you to send questions, vote and evaluate. A few days before the event you will receive further information via email about how to download the App. For support, visit the Help & Info section on the EADV Events App.

### MOBILE PHONES, PHOTOGRAPHY, AUDIO AND VIDEO RECORDING

The use of mobile phones as well as audio and video recording devices are strictly prohibited within the scientific session rooms. Please ensure that you have your mobile phone switched off when attending a session.

Photography is also not permitted.

## GENERAL INFORMATION

### OFFICIAL LANGUAGE

English is the official language of the Congress. No simultaneous translation will be provided at any EADV scientific session.

### SCIENTIFIC SESSIONS

Sessions of different formats will cover the important fields of dermatology and venereology. Subjects will be treated with different approaches and from different perspectives. The following session types will be scheduled throughout the duration of the Congress and are available to all registered participants: Plenary lectures, Focus on, What's new, Clinical cases discussion, Free Communications, and Breaking news

The scientific programme has been organised on full or half-day tracks; each track has a specific topic and a structured programme.

Three separate levels are offered: one junior track for Trainees and Residents, another for Board-Certified Dermatologists and Venereologists and a third one for Expert Specialists. Entry will be made on a first-come, first-served basis.

### Session Halls

All Scientific Session rooms for the 18th EADV Symposium are located within the FIBES II – Palacio de Exposiciones y Congresos. Please refer to the floor plan for orientation. Seating is regulated on a first-come, first-served basis. We recommend you go to the session room well in advance of the session to ensure your place. Due to safety regulations, the organisers will close the access to the session if all seats are occupied. Delegates are not permitted to stand in the aisles of the session rooms.

# DOWNLOAD THE APP

## All you need in your hand

### Scientific programme

Access the full programme and create your own agenda

### Abstracts and e-Posters

Access the latest research from your device

### Session evaluations

Evaluate all sessions and gain your CME-CPD credits

### Interactivity

Participate to the sessions by answering the polls and ask your questions

**The EADV Events App will bring the EADV Symposium to your iPhone or Android phone!**

Search for “EADV Symposium 2023” to download the app (available from 8 May 2023)

**Find out more about the event on [eadvsymposium2023.org](https://eadvsymposium2023.org)**

Free WiFi is available in all areas

### CERTIFICATES AND ACCREDITATION

All registered participants will be able to download their certificates online based on their level of engagement:

- A **Certificate of Attendance** is available for all registered participants who have a valid registration badge and attended at least 1 session.
- A **CME-CPD Certificate** is available for all participants who actively attended scientific sessions, have their badge scanned and completed the online evaluation forms.
- An **e-Poster Certificate** is available for all leading e-Poster authors
- An **Oral presentation Certificate** is available for all presenters of an abstract accepted for an oral presentation.

The certificates are not sent out automatically to the attendees.

You can download them directly from

<https://eadv.m-anage.com/Home/Index/Event/eadvsymposium2023>

by entering the email address and password used during the registration process OR the EADV member log-in details (if a EADV member).

## GENERAL INFORMATION

### USE OF PRIVATE DATA

The data made available through the Registration Portal for Congresses and Symposia are gathered and treated by the EADV in compliance with the Swiss regulation on data protection and the General Data Protection Regulation. We advise you to read the full EADV Privacy Policy on [www.eadv.org/privacy-policy](http://www.eadv.org/privacy-policy).

### TRANSFERRING THE DATA TO THE INDUSTRY SESSION ORGANISER

During the EADV Symposium you have the right to transfer the data collected by EADV to another controller (“the Industry session organiser”, “Industry”). It might happen through scanning a badge, SpotMe QR code or other means.

Each participant shall consider that by accepting any scanning of the badge, QR code or other means at any industry session at the Symposium, the participant gives authorization to the EADV to transfer the data of the participant to the Industry.

The EADV is obliged to make this process possible but does not take any responsibility for what happens with the data after it is being transferred to the Industry session organiser. We advise to make sure that Industry presents Privacy Policy and read it carefully. It might occur that purposes described by the Industry might include the promotion of pharmaceutical products and similar.

Transfer of the data from the EADV to the Exhibitor does not mean the removal of original data from EADV. If you wish the data to be removed or have any request or questions, please contact us at any time by writing to [eadvoffice@eadv.org](mailto:eadvoffice@eadv.org).

### THIRD-PARTY REGISTRATION

The EADV does not officially support or authorise any third-party organisation that creates registrations for individuals or groups. We strongly advise to register according to official fees and only on EADV’s official websites.

### LIABILITY DISCLAIMER

The Organisers cannot be held liable for any hindrance or disruption to the EADV Congress and Symposium arising from political, social or economic events or any other unforeseen incidents beyond their control. The Organisers will accept no liability for any personal injuries sustained or for loss or damage to property belonging to Congress and Symposium participants, either during or as a result of the Congress and Symposium or during all tours and events. Registration of a participant entails acceptance of these conditions.

# GENERAL INFORMATION

## REGISTRATION

### General Information

Any person who wishes to make a registration for the EADV Symposium can proceed either online on the registration system platform or directly on-site at the Registration Desk. In order to avoid queueing on-site, we recommend that you register for the event online, prior to the event.

Registrations are possible during the Symposium until Saturday 20 May 2023.

On-site registration counters will be open during the entire event and within the official registration opening hours that will be published on the [EADV Symposium website](#).

### Additional Notes

- EADV active Members benefit from a preferential rate. In order to qualify for this rate, it is possible to sign up for an EADV membership and pay the related dues. **To find out more about the membership benefits, please click [here](#).** The Membership process might take up to 10 working days. Please allow sufficient time to review and process your application to be able to benefit from the member rates for the Symposium.
- Trainees (under 35 years old), Students (under 35 years old) and Nurses & Medical Assistants are requested to provide a “Proof of status” which fulfils the [published requirements](#).

*On-site registrations:* Participants wishing to register on-site, under any of these categories are requested to present the required documentation on-site at the registration desk.

*Online registrations:* Participants wishing to register online, under any of these categories, are requested to process their registration by Wednesday, 3 May 2023. After this date, it will be possible to register only on-site, presenting the above-mentioned documentation in person.

- The registration fee depends on both the registration period and the registration category. Find out more [here](#).
- The payment of the registration fee must be settled by the relevant deadline.

*On-site registrations:* Payment is accepted by Credit Card (VISA and Mastercard only) or Debit Card. Cash payment cannot be accepted.

*Online registrations:* Payments made via Bank Transfer are possible until Wednesday, 3 May 2023. After this date, only Credit Card payments (VISA or Mastercard) are possible.

- **Cancellation, refunds, name changes policies and other important information are published online [here](#).**

## GENERAL INFORMATION

### The EADV Spring Symposium Ticket includes:

- Name badge
- Admission to EADV Scientific Sessions
- Admission to the Networking Symposium – Thursday 18 May 2023 (No entertainment)
- Access to the e-poster area
- Access to Satellite Symposia Sessions\*
- Possibility to collect ECMEC Credits upon participation in the EADV Scientific Sessions

*\* IMPORTANT: Industry Session organisers could limit participation to certain representative groups independently from EADV recommendations if deemed imperative to the achievement of the intended purpose of the industry session. The organising company reserves the right to refuse single categories, in particular, if not adequately related to the objective and purpose of the session.*

### Registration Name Badge

Registered participants are invited to print out their badge at the self-printing machines on arrival to the Registration area. The name badge is the official EADV Symposium identification document and should be worn at all times in order to gain entry to the various Symposium areas.

The name badge is your ticket for booked activities and sessions. Admission to other areas of the venue is not permitted without badge identification.

### Special Note

- Participants are asked to check the registration documents immediately after receiving them by email or on-site at the Registration Desk. Once issued, invoices cannot be amended at a later stage.
- The badge includes a QR-code containing your full address and email. It is the participant's decision to disclose these details to the Industry Session's organisers with a scanner.

## GENERAL INFORMATION

### NETWORKING SYMPOSIUM

#### DATE

**Thursday, 18th May 2023**

#### START TIME

**17:45**

#### LOCATION

**Auditorium 1**

Please join us in Auditorium 1, on Thursday 18 May, at 17:45 to celebrate the start of the 18th EADV Symposium and participate in the first plenary lecture of this year's edition.

The EADV's Opening Plenary Lecture will be accompanied by the welcome speech of the EADV President, Prof. Martin Röcken, who will officially inaugurate the Symposium.

Following his words, Prof. David Moreno-Ramirez, will present an intriguing lecture on "Surgery of advanced melanoma. Are we facing a turning point?".

Starting from 18:30, a networking reception is organised in La Plaza, located in front of FIBES I.

## Important Note to Healthcare and Non-Healthcare Professionals

Access to the different areas and sessions of the Symposium depends on the registrant's status as a Healthcare Professional or a Non-Healthcare Professional. Carefully read the below description to make sure you/your delegates are compliant with Spain's regulations.

EADV Members are not designated as Healthcare Professionals by default. Please define the correct status (HCP or Non-HCP) during the registration process.

## Definition

According to the European Union Directive 2001/83 /EC (and amended version 2010/84/ EU), the promotion of prescription-only medicines should be directed solely at Healthcare Professionals or any person who is authorised to prescribe, use or handle them.

As a multidisciplinary audience will attend the EADV Symposium, EADV will assign the delegates the category of Healthcare Professionals (HCP) or Non-Healthcare Professionals (Non-HCP) to ensure compliance with the regulations.

The Code of Practice for the Pharmaceutical Industry (2021) states the following:

**Healthcare Professionals:** Any member of the medical, dental, pharmaceutical, nursing, or podiatric profession, any other person legally considered as such, or any other person who, in exercising their profession, may perform or participate in the prescription, purchase, supply, dispensation or administration of medicinal products for human use.

For the purpose of this Code, veterinarians are excluded from this concept.

Sections of the code that are also relevant to the Symposium:

"4.4. All material related to medicines and their uses which is sponsored by a pharmaceutical company must clearly indicate the sponsor."

## Industry Sessions and Advertising

Satellite Symposia and Industry Expert Hub Sessions presenting data on the development, research or other issues related to prescription medicine can be restricted to Healthcare Professionals and Industry Participants only upon indication provided by the Industry Session Organizer. All promotional materials and marketing aids related to these industry sessions should be strictly limited to HCPs only.

Industry Session organisers could limit participation to certain representative groups independently from EADV's recommendations if deemed imperative to the achievement of the intended purpose of the Industry session. The organising company reserves the right to refuse single categories, in particular, if not adequately related to the objective and purpose of the session.

## HEALTHCARE PROFESSIONAL INFORMATION AND DEFINITION

The industry session organiser is responsible for the compliance of the session.

### Other categories

**STUDENTS** are NOT considered Healthcare Professionals under the current guidelines and will be automatically classified as **Non-Healthcare Professionals**.

The full EADV Scientific Programme, e-Poster Area and Industry sessions organised by companies producing over-the-counter (OTC) products and similar sessions will be open to all participants.

## INDUSTRY SESSIONS

We invite you to discover the official Industry Sessions Programme during the EADV Symposium 2023.

Three Satellite Symposia are organised on the first two conference days.

The industry sessions offer a unique opportunity to connect with key thought leaders, access to information on emerging science and innovative approaches to a wide range of current medical topics.

For industry session details, review the following pages or download the full [Industry Session Programme Booklet](#).

### SATELLITE SYMPOSIA PROGRAMME AND FACULTY IN PARTICULAR

The Industry Session organiser is solely responsible for keeping all of its Industry Session activities compliant with all relevant laws and regulations. EADV is not involved with or has any control over the content, quality, organisation, operation, or scientific integrity of the activity and materials provided by the industries. EADV is not involved in the selection of speakers, moderators and other faculty.

### ACCESS TO SATELLITE SYMPOSIA

As a multidisciplinary audience will be attending the EADV Symposium 2023, please make sure to select the right category: Healthcare Professionals (HCPs) or Non-Healthcare Professionals (NON-HCPs), during the registration process.

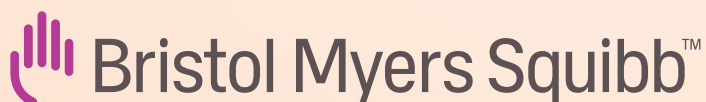

Access to any industry sessions where data or research on prescription medicines is presented will be limited to Healthcare Professionals (HCPs).

Industry Session organisers may limit participation to certain representative groups independently from EADV recommendations if deemed imperative to the achievement of the intended purpose of the Industry Session.

We're inspired by a single vision:

Transforming patients' lives  
through science™

## SATELLITE SYMPOSIA

### SATELLITE SYMPOSIUM | Thursday 18 May 2023

12:45 - 13:45

HCPs only

**Oral therapies in psoriasis: Addressing unmet needs with novel TYK2 inhibition**

<b>ROOM</b>	Auditorium 2
<b>CODE</b>	SAT 01
<b>CHAIRMAN</b>	Hervé Bachelez (Paris, France)

CODE	TIME	PROGRAMME
SAT 01.01	12:45	<b>Introduction</b>  Hervé Bachelez (Paris, France)
SAT 01.02	12:50	<b>Unmet needs and disease burden in psoriasis: A look at real-world data</b>  Julia-Tatjana Maul (Zurich, Switzerland)
SAT 01.03	13:05	<b>The role of TYK2 in the IL-23/IL-17 inflammatory axis and psoriasis pathogenesis</b>  Tiago Torres (Porto, Portugal)
SAT 01.04	13:20	<b>Oral therapeutic landscape in psoriasis: From conventional broad-acting agents to new-class targeted TYK2 inhibitors</b>  Lluís Puig (Barcelona, Spain)

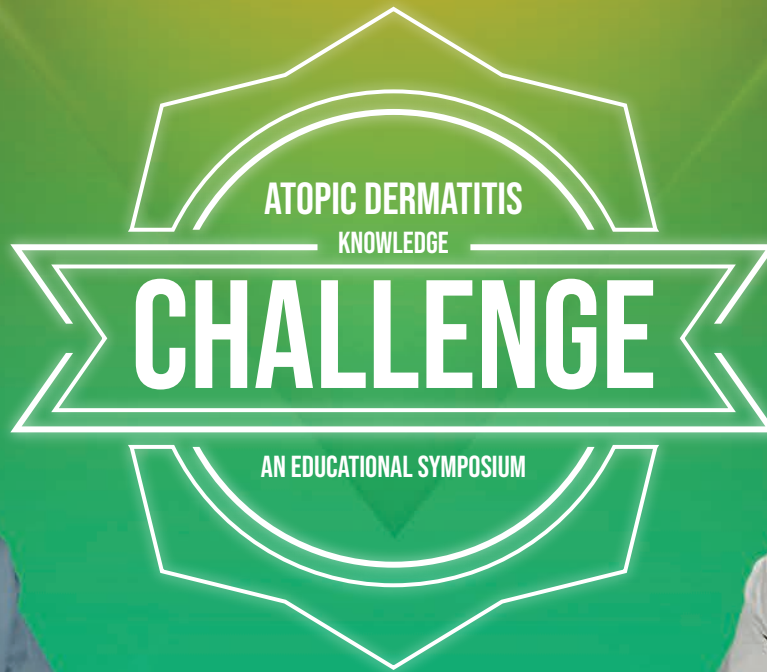

**Dr. Alexandra Golant**

Mount Sinai Hospital,  
New York,  
USA

**Dr. Ignasi Figueras**

Bellvitge Hospital  
University of Barcelona,  
Spain

## Team up and test your knowledge at our interactive symposium

“ATOPIC DERMATITIS KNOWLEDGE CHALLENGE”  
Symposium  
19 May 12.45–13.45  
Auditorium 2

**Siân Jones**  
International News  
Broadcaster and TV Presenter

**sanofi** | **REGENERON**<sup>®</sup>

*Session restricted to HCPs*

*Speakers will receive compensation for their participation in this event.*

## SATELLITE SYMPOSIA

### SATELLITE SYMPOSIUM | Friday 19 May 2023

12:45 - 13:45

HCPs only

**Atopic Dermatitis (AD) Knowledge Challenge: An Educational Symposium**

<b>ROOM</b>	Auditorium 2
<b>CODE</b>	SAT 03
<b>CHAIRMAN</b>	Sian Jones (London, United Kingdom)

CODE	TIME	PROGRAMME
<b>SAT 03.01</b>	<b>12:45</b>	<b>Welcome and Introduction</b> Ignasi Figueras (Sant Cugat del Vallès, Spain) Alexandra Golant (New York, United States) Sian Jones (London, United Kingdom)
<b>SAT 03.02</b>	<b>12:50</b>	<b>Challenges in children with AD – the disease burden and the impact on caregivers</b> Alexandra Golant (New York, United States)
<b>SAT 03.03</b>	<b>13:00</b>	<b>What more is there to know about the type 2 cytokines that drive AD?</b> Ignasi Figueras (Sant Cugat del Vallès, Spain)
<b>SAT 03.04</b>	<b>13:10</b>	<b>Exploring the expanding evidence base for biologic therapy in AD</b> Alexandra Golant (New York, United States)
<b>SAT 03.05</b>	<b>13:20</b>	<b>Exploring skin barrier and the risk of infections in AD patients</b> Ignasi Figueras (Sant Cugat del Vallès, Spain)
<b>SAT 03.06</b>	<b>13:30</b>	<b>When should an advanced systemic therapy be initiated?</b> Ignasi Figueras (Sant Cugat del Vallès, Spain) Alexandra Golant (New York, United States)
<b>SAT 03.07</b>	<b>13:40</b>	<b>Summary and close</b> Ignasi Figueras (Sant Cugat del Vallès, Spain) Alexandra Golant (New York, United States) Sian Jones (London, United Kingdom)

## SATELLITE SYMPOSIA

### SATELLITE SYMPOSIUM | Friday 19 May 2023

12:45 - 13:45

HCPs only

**The Right TraJAKtery: Combat Itch and Beyond With Abrocitinib**

<b>ROOM</b>	Auditorium 3
<b>CODE</b>	SAT 04

CODE	TIME	PROGRAMME
SAT 04.01	12:45	<b>Combatting Itch With Abrocitinib: Implications of Rapid Itch Control</b> Jacek C. Szepietowski (Wroclaw, Poland)
SAT 04.02	13:15	<b>Considerations for Using Abrocitinib in Patients With Moderate-to-Severe AD</b> Jacek C. Szepietowski (Wroclaw, Poland)
SAT 04.03	13:35	<b>Using Abrocitinib to Get Patients on the Right TraJAKtery: Switching to a JAKi From a Biologic</b> José Manuel Carrascosa (Badalona, Spain)

### **Bristol Myers Squibb**

Bristol Myers Squibb is a leading global biopharma company focused on discovering, developing and delivering innovative medicines for patients with serious diseases in areas including oncology, hematology, immunology, cardiovascular, fibrosis and neuroscience.
